

SAHS Band Booster Meeting
Minutes
Tuesday, October 2, 2018

1 of 2

- Meeting called to order at 6:10 pm
- Kristin Whitesell reported on fundraising. She reminded group about Sunset Slush fundraiser night on Thursday, Oct. 11th 2018, from 3pm-8pm, and that will potentially be another Sunset Slush after the first of the year in 2019. She also stated that the annual band fruit sale will be coupled with a biscuit sale, and that date will be forthcoming, hopefully at next month's meeting. The hope is to begin these sales on the date of the holiday band concert. Other possible fundraisers that will be coming up include Yankee Candle sale to coincide with Mother's Day, Chick-Fil-A fundraiser night, and another car wash, since our last one was cancelled due to Hurricane Florence.
- Angela Glidewell took the floor to report on logistics. She reminded attendees that we are responsible for selling concessions at the JV Football game this Thursday, Oct. 4, 2018, and need to be at the back gate by 6 pm. This year's sponsor trailer wrapping is complete, and will be picked up Thursday Oct. 4. Marching Band will travel this Friday, Oct 5 to the Southeast Guilford game by bus. Hopefully will leave between 4:30-5:00 pm. Kids will need to bring money to eat and buy concessions. They will wear show shirts, jeans and band hoodies. Will depart game around 3rd quarter, due to the distance of travel, and the band competition the next day. Also, some students that are taking the SAT on Saturday Oct. 6, will be excused from this game. Reminds will be sent out with above information.
- Debbie Dailey reporting on upcoming events. The competition on Saturday Oct. 6 is a later competition because of the SAT being given that morning. However, for those not taking the SAT, we will begin practice at 9am. Snacks and lunch will be provided, but kids need to bring money for dinner and souvenirs. Will depart around 2pm for Middle Creek High School in Apex around 2pm. They will need to wear regular clothing to practice, and will change into show shirts and shorts/hoodies to travel in. Once there, they will dress in uniforms before performance. Reminds will be sent out with above information.
- Mr. Cevallos spoke about recent discourse between himself and students. He stated that he has adopted a more positive attitude and can feel that the problems are improving. Handouts were provided with schedules for the game on Friday, and the competition on Saturday. He would appreciate continued donations for snacks for students, for practices, games and competitions. Mr. Cevallos also discussed that he has been speaking with Mrs. Faucette about procuring a loan, for new uniforms for next year, but this is in the very early stages.
- Kevin Moss gave treasury updates. He is making progress on posting fair share statements for students. Work continues on the original \$270.00 owed/paid and the band uniform top, which has come down to \$35.00 per students

from the Cree event funds. Kevin also read a text that he sent to head football Coach Fritz Hessenthaler, thanking him for the show of support by the football players during last week's game. (The players returned from their end of the game huddle, to kneel in front of the band as a show of support for them.) Kevin outlined to Coach Fritz that this meant a lot to the band kids, their administrator and teachers and their families. Coach Fritz responded, saying he has great admiration for our music/band program and greatly appreciated the band's involvement in the school community, and hopes to generate less division between athletes and musicians.

- Meeting was adjourned at 6:38pm
