

General Band Meeting

September 2, 2014

Mattress Sale Kick off

It was presented that this could be profitable if done right. This is a one day sale (10am-5pm on 9/20/14). It requires the effort of all band members to get the word out. There will be personal fliers to hand out, signs to put up in strategic high traffic areas and social media can also be used.

Pricing was presented as:

- 30% less on the lower end mattresses
- 50-60% less on the higher end mattresses
- 10 year non-prorated warranty

Payment options:

- Cash, checks or credit cards.
- Layaway options will also be available

Delivery:

- Home delivery will be within 2 weeks of the event
- They will dispose of the old bed set (offsite) for an extra 25.00 disposal fee.

Fairshare Credit**:

| | |
|-------------------------|--------|
| King size mattress set | 100.00 |
| Queen size mattress set | 75.00 |
| Twin size mattress set | 50.00 |

**Each student needs to pick up a handful of the blue fliers, place their names on them. If they are brought back, the student would get direct credit (50%) for that sale in their fair share. Otherwise, the credit goes to the general band fund 100%.
